## Hospitality Membership Application

Hospitality Member: \_\_\_\_\_ Member #: \_\_\_\_\_

This type of membership is owned by the Hotel, not the 'card holder'. This classification has a Membership fee of \$1300 (plus tax) with this application. Individual Golf passes can be purchased by the Hotel @ \$45/pass and charged to your Membership. Any additional costs (*such as, range fees, golf merchandise and food purchases*) must be paid by the 'holder' of such Golf pass via cash or credit; no 'Member charging' will be granted. Your guests are also granted under this agreement to dine in our Private Restaurant. These food purchases must also be paid via cash or credit.

*We also ask that your 'card holders' follow our Golf Course etiquette, (separate document) although here are a few highlights:*

- *During golf season (May 1-October 1), players must wear collared shirts and be properly attired. Denim is not allowed during the golf season.*
- *Guidelines for golf cart usage will be set daily by the Golf Course Superintendent and communicated to members through the Pro Shop. The Superintendent will decide whether conditions are "cart paths only," "90 degree traversal of fairways," etc., based on course conditions.*
- *Cutting in on any tee, when it interferes with other players is not permitted at any time.*
- *Players must repair ball marks on the green, replace divots, level footprints in sand traps and otherwise observe etiquette of the game. Repeated violations will result in the suspension of playing privileges or other disciplinary measures.*
- *USGA and Local Rules apply.*
